

Stop losing half your week to submission data entry.

Every new submission — application, loss runs, broker emails — turned into a clean, quote-ready record in seconds.

MANUAL, TODAY

- **25-40 min** per submission
- CSR keys every field by hand
- Missing info found late (or after binding)
- **68%** of E&O claims start with manual entry

WITH SUBMITIQ

- ✓ **~8 seconds**, fully automated
- ✓ Every field extracted & structured
- ✓ Gaps & risks flagged up front
- ✓ Writes straight into your AMS

WHAT SUBMITIQ CATCHES ON A REAL SUBMISSION — CORNERSTONE CONTRACTING LLC (GL)

HIGH Missing FEIN (tax ID) — carriers require it to bind

HIGH Missing applicant email — needed to bind & correspond

HIGH Annual payroll blank — GL contractor rating depends on it

HIGH Expiration date blank — policy term incomplete

MED Open claim CL-2024-201 carries a \$12,000 reserve — confirm before quoting

LOW Subcontractors used — request subcontractor COIs

HOW THE FREE TEARDOWN WORKS

1

Send 5 real submissions

Your actual ACORD apps, loss runs & broker emails.

2

We run the teardown

Free. We process them through SubmitIQ.

3

15-minute walkthrough

What it caught + the time saved per submission.

Send us 5 of your real submissions. We'll run SubmitIQ free.
